2022-23 IPTA Team Setup Updates

Angel Chen, IPTA Chairlady

A **big thanks** to parents who have completed the IPTA Membership Form and volunteered. I have received quite a few enquiries on parent groups, activities etc., here it is:

- The setup of IPTA 2022-2023 has **NOT** been completed, only 2 (including myself) parents volunteered for Executive Committee
- IPTA includes members from both parents and school side:

Executive Committee
(6-8 Parent taking up Core Role)

Representative from School
(Senior Leadership Team)

- Please understand in order to facilitate and operate the IPTA, **parents' participation** is crucial.
- The incompleteness of forming IPTA core team can lead to unable to function properly, such as the setup of Parent Class Group.

Struggles of IPTA

IPTA been **struggling** to get parent volunteers onboard, especially for core group member.

Even with my dedication, volunteering an enormous amount of my time and devotion, yet it is still not easy with heavy shoulders in keeping the IPTA running in the past years.

Once again reaching out and hoping more **parents can take up the EC roles.**

I understood parents are eager to join the chat group, especially for new families, while still waiting for class reps' volunteers, will first setup groups that have reps and invite will be sent to parents whom have filled the form.

These struggles have been conveyed to school over the years

I believe mainly due to Covid, hence lack of connection

Met with SLT 2022.11.24, school is eager to reconnect with parents

KIS is gradually opening up the campus and resuming activities

Plans for small group **Parent Coffee Morning** is in discussion
Will keep you posted
